## CONDIZIONI GENERALI DI VENDITA

Indemar importa e distribuisce prodotti costituiti da qualificati costruttori internazionali dei quali è rappresentata esclusivo per l'Italia.

Le quotazioni dei presenti listini si intendono in Euro, Iva esclusa e sono soggette a variazioni senza alcun preavviso.

### Ordini

Gli ordini devono essere inoltrati in forma scritta. In casi particolari possono essere accettati verbalmente, ma immediatamente confermati con la firma e la restituzione della relativa conferma d'ordine. In ogni caso viene inviata conferma d'ordine e i dati in questa riportati, che determinano ogni elemento della fornitura, si intendono accettati in assenza di eventuale e tempestiva segnalazione di difformità.

Per eventuali ordini di importo inferiore a Euro 200,00 + IVA, saranno addebitati Euro 15,00 + IVA per spese di gestione e i termini di pagamento saranno "Bonifico anticipato" o "Contrassegno"

### Resa

I prezzi si intendono per resa franco magazzino Indemar (EXW - incoterms Icc Parigi 2010).

I rischi relativi ai prodotti passeranno al compratore all'atto dell'avvenuta presa in consegna dall'incaricato al ritiro degli stessi, sia esso vettore o cliente.

### Consegna

La data di consegna indicata dai venditori dovrà essere considerata come indicativa quando questa può dipendere da ritardi di consegna da parte del produttore del bene o da inconvenienti nel suo trasporto. In questi casi Indemar informerà il cliente della difficoltà e si adopererà per ridurre al minimo i disagi conseguenti.

### Fatture e pagamenti

Le fatture saranno emesse dal venditore in conformità a quanto stabilito nella conferma d'ordine inviata al cliente.

I pagamenti relativi dovranno essere effettuati nelle modalità e nei tempi indicati. In caso di ritardo il fornitore si riserva di applicare gli interessi nei termini di legge, ai sensi dell'art. 1186 c.c.

### Reclami

Il compratore dovrà controllare i prodotti forniti da Indemar. In caso di eventuali difformità di qualità o quantità entro otto giorni dal loro ricevimento dovrà essere inviata una completa e dettagliata relazione a riguardo.

In caso di non ottemperanza, la garanzia sul prodotto potrebbe non essere operante e decadrà ogni diritto del cliente.

### Termini di garanzia

I prodotti venduti da Indemar godono dei termini di garanzia offerti dalla casa costruttrice. Non viene pertanto riconosciuta nessuna altra forma di garanzia, esplicita o implicita, oltre alla riparazione o sostituzione del prodotto difettoso.

Viene perciò esclusa ogni richiesta di risarcimento per eventuali danni, diretti o indiretti, conseguenti a difetti di costruzione dei prodotti, così come quelli derivanti dal mancato utilizzo dei beni a loro destinati.

Viene altresì esclusa ogni garanzia e responsabilità per usi "particolari" del prodotto non espressamente dettagliati e specificati in sede di trattativa.

### Resi

La restituzione, a qualsiasi titolo, di prodotti potrà avvenire solo dietro autorizzazione del venditore, che si riserva di non ritirare merci in assenza della suddetta autorizzazione.

### Foro competente

Per qualsiasi controversia fra le parti la competenza esclusiva viene attribuita al Foro di Genova.
